

28 January 2022

Dear Sir /Madam

Applicator Status – AkzoNobel, International Paint

AkzoNobel SA (Pty) Ltd (International Paint) Hereby confirms that **WebMech**, is an approved applicator of our liquid coatings for South African- and International Markets.

Applicator status requires an applicator to uphold a specific preparation and application methodology with regards to applying protective coatings according to AkzoNobel standards.

Regards,

Sean Chinner
Technical Services Manager
Sub Sahara Africa
Marine and Protective Coatings
